Sir

Subject:- Sanction to the expenditure of Rs 200/- for the purchase of furniture at Hoskote Municipality

I have the honour to state that a sum of Rs 200/- provided in the draft budget estimate of Hoskote Municipality for the purchase of furniture during the current year has been deleted by Government owing to the high cost of furniture due to war conditions at present The Amildar President of the Municipality reports that the Municipal Council have resolved that sufficient seating arrangements cannot be made to all the Municipal Councillors as the existing furniture is very inadequate and have requested sanction to the purchase of the marginally noted furniture which is of absolute necessity A copy of their resolution dated 29-3-44 in the matter is herein enclosed for favour of reference

a dozen chairs
6 Benches

This Municipality has been converted into a Town Municipality from 1-1-44 and consequently there is increase in the number of Councillors to whom proper seating accomodation is necessary during meetings etc I therefore recommend that sanction of Government may be kindly obtained for incurring an expenditure not exceeding Rs 200/- for the purchase of furniture for the use of Hoskote Town Municipality the cost of this account being met out of the closing balance of the Municipality

Subd A copy of the resolution of the M C is not received along with this communication. A letter requesting the D C to send a copy is issued for appl

I have the honour to be
